

Ad-Free Webcasting For Churches

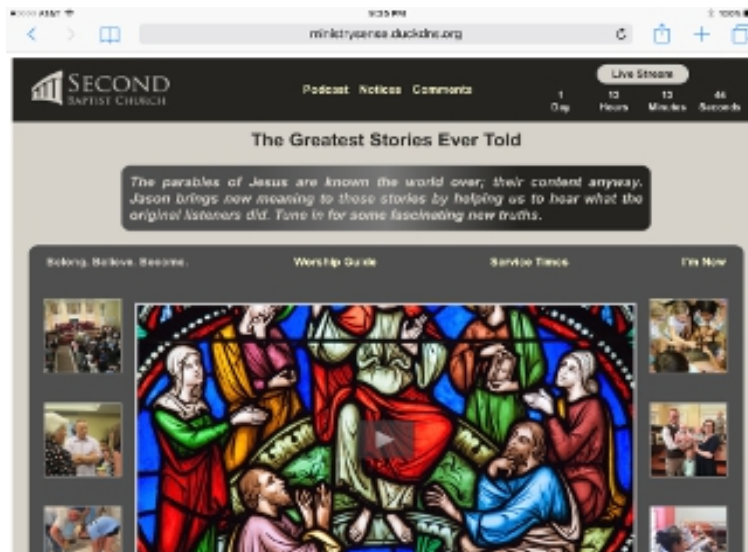

We make it simple!

1. **CAPTURE** events with HD camera(s) for \$10 plus!
2. **STREAM** to YouTube and Facebook Live from your WiFi for *free*!
3. **HOST** these streams and *any* other content on your own Video Gallery!

Your church:

- is looking for a simple way to be online...
- has a small video budget...
- would like a church-centric way to stream content from Youtube, Facebook, Vimeo...
- would like to enhance your web presence without any additional work...
- needs someone standing by and ready to help...
- needs help in choosing the best camera(s) and hosting services...

It's easy. Place a link on your website to *your* attractive Video Gallery.

MinistrySense offers churches an easy way to showcase any CDN (e.g. Youtube) content!
